

Memorandum of Understanding Between Rowan College of South Jersey

This Memorandum of Understanding (MOU), dated December 9, 2020, strengthens the relationship between STOCKTON UNIVERSITY and ROWAN COLLEGE OF SOUTH JERSEY

Bachelor's degrees at two outstanding institutions of higher education.

It does so by:

- Reaffirming demand majors;

STOCKTON UNIVERSITY transfer to STOCKTON before completion of

including joint advising, special programs, and designated degree student participation.

II. Overview of Statewide Transfer Agreement

A. Both STOCKTON and RCSJ affirm their commitment to the "Comprehensive State-Wide Transfer Agreement," commonly referred to as the Lampitt Law (<http://www.state.nj.us/highereducation/PDFs/XferAgreementOct08.pdf>).

B. Both institutions also commit to:

- Recognizing AA or AS degrees from a New Jersey community or county college as fully transferable, and the preferred pathway for students participating in this conditional dual admissions agreement;

- Applying credits that do not culminate in an AA or AS degree from a New Jersey community or county college to the appropriate program, general education, graduation, and elective requirements for a BA or BS degree up to 64 credits;
 - Providing a list of courses and prerequisites that a transfer student with an AA or AS degree from a New Jersey community or county college needs to complete to earn their chosen BA or BS degree at Stockton;
 - Reviewing courses to determine institution-to-institution course equivalency to maximize the value of transferred credits within a student's degree and evaluating non-equivalent courses for credit on a case-by-case basis.
- C. At STOCKTON, up to 64 credits of coursework can be transferred either from a completed AA or AS degree or as individual courses; students must have received an earned grade of C or better in each course transferred (exception: a maximum of 66 credits is allowed in transfer from a regionally-accredited two-year college when the student has earned an associate's degree and been accepted for matriculation in STOCKTON's upper division Bachelor of Science in Nursing program).

III. Program-to-Program Articulation Agreements

- A. Both STOCKTON and RCSJ also support NJ Transfer, (<http://www.njtransfer.org/>), a state-wide program that assists students transferring from two-year institutions to determine course equivalencies at the senior college or university of their choice, and the Transfer Equivalency Tool (TREQ).
- B. To build on this system, STOCKTON and RCSJ agree to develop specific program-to-program articulation agreements for high-demand majors to facilitate the quality and ease of transfer of students into comparable academic majors. Such agreements will be appended to this MOU and reviewed regularly by both schools to ensure they remain up-to-date in terms of course descriptions and degree requirements.

IV. Conditional Dual Admission

STOCKTON and RCSJ further agree to strengthen the transfer process by offering conditional dual admission to STOCKTON. Students will be able to enter this program through one of two pathways, outlined below.

A. Admission via Stockton University

1. All freshman applicants who apply to STOCKTON, but are denied direct admission, shall receive notification of conditional dual admission to STOCKTON in partnership with RCSJ through this MOU.
2. To enroll, students must both sign a consent form allowing STOCKTON and RCSJ to share the student's information, and matriculate into RCSJ. To enroll, they must sign a Dual Admissions Application and Academic Record Release Form allowing STOCKTON

B. Admission via County College:

1. Students who do not enroll in conditional dual admission via their application to STOCKTON can still do so upon their acceptance to RCSJ, or at any time during their enrollment at RCSJ. To enroll, they must sign a Dual Admissions Application and Academic Record Release Form allowing STOCKTON and RCSJ to share the student's information.
2. The same stipulations for tracking, advising and access to special events apply to these students as to the students who are conditionally admitted to STOCKTON through a direct application (specified in section IV.A.3 and 4 above, and IV.C. 1 and 2 below).
3. Students who complete their AA or AS degree at RCSJ and fulfill all other criteria pursuant to this MOU will enter STOCKTON as fully matriculated students with junior standing.

C. Program Benefits

1. Students who participate in conditional dual admission will be eligible to apply for STOCKTON housing from the first year of their matriculation to RCSJ. Housing fees will be paid directly to STOCKTON. All Transfer Pathways residential students will be held to the same rules and regulations as STOCKTON's own residential students, and must comply with the campus Code of Conduct. Transfer Pathways residential students will be required to sign a separate contract with STOCKTON to confirm their understanding of these expectations; this contract also outlines such students' access to campus student support services while in residence, as well as responsibility for co-payments and uncovered charges.
