Burlington County Chamber's Women's Forum: Keynoter Offers Five Keys to Developing Personal Power and Presence

Teresa Moore Griffin, the founder of Spirit of Purpose and a 35-year veteran of international consulting and coaching, told the 100 attendees at the Burlington Chamber's Women's Forum that the key to the C-suite is "show up in the way we want the world to be."

Women need to learn to "let go of what keeps us stuck in patterns...and live with passion and purpose," Moore Griffin counseled.

South Jersey is a Hotbed for Defense-related Industries and Companies...Large and Small

What sector of the regional economy is positioned to produce up to 20,000 new jobs?

Unless your answer to the question was the defense industry, you're probably just whistling in the wind.

But, if you said "all things military and defense-related," you may be right on the money.

Research & Technology Park (ARTP) and one of the
defense industry's regional leaders who participated
