Former special counsel Robert Mueller arrives to testify before the House Intelligence Committee hearing on his report on Russian election interference Wednesday. (AP Photo/Andrew Harnik)

In

taxes and spending, and criminal justice reform will play more effectively.

Pelosi and a majority of her caucus understand that ending the Trump Administration is in the hands of voters and should remain there, rather than indulge in an exercise destined to fail in any event.

While articles of impeachment stand a reasonable chance of approval in the Ht
