Authority:

Effective Date: December 10, 2008

Index Cross-References:

Policy File Number: I-101

Approved By: Board of Trustees

1.0 PREAMBLE

- 1.1** Stockton University is committed to high standards of staff performance that will sustain and extend the excellence we have achieved. While much of this policy focuses on evaluation of individual staff members, this policy also affirms that in success in individual roles necessarily involves purposeful collaboration in order to achieve the University's mission.
- 1.2** This policy applies to all members of the professional staff who are not managerial or confidential employees or in classified service, but are
