National Geographic Society

Exploration Grants

Deadline: April 10, 2019 - Grant cycles run quarterly

Amount: **Upper $30,000USD Lower $10,000USD**

Abstract:
An Exploration Grant application is a request for funding by an experienced project leader in the areas of conservation, education, research, storytelling, and technology. The applicant and his or her team members are expected to demonstrate successful completion of similar projects with measurable and/or tangible results. If you have received a grant from National Geographic in the past, you may submit a new proposal after you have closed your previous gr L o D As a result of changes in Chinese law effective January 1, 2017, the National Geo mainland China. This applies to any individual or organization proposing work in mainland China, regardless of citizenship. We will still accept applications from residents of Hong Kong, Taiwan, and Macau as long as the proposed work is outside of mainland China. The National Geographic Society continues to actively pursue registration with the Chinese government and will restart grant making once the registration process is complete.
