2020 INITIATIVES PROJECT

PROJECT LEADER:	Rob McKeage
PROJECT TITLE:	Solar Powered Vegetable Cooler
DATE:	6/1/2019
CC:	Justine.ciraolo@stockton.edu , patrick.hossay@stockton.edu ron.hutchison@stockton.edu

- x The boxes below expand as needed to accommodate notes. You may also include/submit appendices or attachments, if needed.
- x Email a copy of this completed form to Jessica Kay, Senior Planning Analyst at: 2020@stockton.edu or Jessica.Kay@stockton.edu

Please provide a summary of the project and your experience

The Project is nearing completion. The cooler is built and half of the solar panels are installed and we should be wrapping up the final panel install and wiring in the next 2 weeks, with the cooler up running by 9/1/2019 at the latest. Overall the project has run smoothly. There has been collaboration from all very excited to wrap it up.

Please attach a copy of your original proposal or list your stated objectives and expected outcomes.

The Main objective of this project is to expand the cold storage of the Sustainability Farm. This will allow us to work closer with the Center for Community Engagement and the Stockton Food Pantry to provide the surrounding community and Stockton students with fresh produce for much of the year.

FINANCES Based on your proposal, please outline below how the
