STOCKTON UNIVERSITY ANNUALREPORTOR FY24 COMPASS FUNDROJECT

PROJECT LEAL(05E)R	Dr. Ian Bouie and Dr. Kimberly Dickerson
PROJECT TITLE:	Future Educators Get Inspired at the 2024 AERA Annual Meeting
DATE:	April 11-April 14, 2024

- x The boxes below expand as needed to accommo**date**notes. You may also include/submit appendices or attachments, if needed.
- x Email a copy of this completed form to

On Sunday, the final day of the conferent presented my research at a round table session Dickerson and several members of the student group attended the session in support, but earing and learning from the other two presenters at the table.	. Dean It also enj

attended the focus group, though four committed to attending. In fairness, one of the two owns later found out that she was ill and could not attend. These are lessons learned for if I ever do som like this again.
Pleaseexplain and provideny University Relations & Marketin(JRM) coverage of your project (social media posts, press releases, photos, videos,) the lateral description of this document.
We worked with URM on a photoshoot a week prior to our depart@e. Thursday, April 4, we hosted an orientation for our trip in the Campus Center. Before starting the meathersphotographer took group photos of the students and Dr. Bouie, as well as individual photosRM also created a logo for Future Educators Get Inspired which we later used-shrifts we ordered for the group. Lastly, upon or return an article was written about our experience, which included photos from our trip, and quotes from Dr. Bouie, and two students, Ivanna Taveras and Nana Oduro. I have attached the photos at the bottom of the page, while the article can be found at the following link: https://stockton.edu/news/2024/aeraconferencefind-inspiration.html

We also plane haveour students presentabout their AERA tript an upcoming Student Affairs Leadership Council Meeting. These are held once a month, usually on a Tuesday from 2 pm to 4 would put our group on the agenda for 5-to-20-minute presentation with Q&A. Ideally, I would like this to be done this summer, but based on schedule, it may have to wait until the Fall.

Are you recommending the cointuation of this project? If so

- x What are the next action steps you foresee or recommend?
- x What are theexpectedbudget requirements going forward?
- x Please identify the program, department, or division should be working with to secure continuation of funding for your project

[Note: continuation proposalmust be approved and incorporated into the appropriate budget procest This report will not constitutes a request for permanent funding.

As far as budget expectations, here is what would be needed for next year as it pertains to to students to the 2025 AERA Annual Meeting in Denver:

- x AERA Undergraduate Student Membership at \$45 each of the students: \$360
- x AERA Student Registration Rate at \$180 eachicont students:\$1440
- x Plane ticketsat \$451 each foeight students:\$3600.
- x Hotel Stay for 4 nights at \$300er nightfor four rooms:\$4800.
- x Lyft/Taxis \$300

The budget foreight students, as of right now, would \$\mathbb{\mathbb{E}} 0,500.

Ideally, we would work with Academic Achievement Prografus School of Education the Office of the Vice President of Student Affairs and Stockton University Foundation for funding and fundraising. Or the post-assessments, students indicated that they would be willing to help fundraise so they could pursue this endeavor again. Giving Day could be made full time to have students do video testimonials and get their message out to potential donors to write travel to Denver. I could also collaborate with my colleagues in the other aforementioned areas to see if any additional funding be secured for the 2025 AERA Annual Meeting.
